少年不识愁滋味

爱上层楼爱上层楼

为赋新词强说愁

而今识尽愁滋味

欲说还休欲说还休

却道天凉好个秋

《丑奴儿》 辛弃疾

“少年不识愁滋味，爱上层楼。 爱上层楼，为赋新词强说愁。
而今识尽愁滋味，欲说还休。 欲说还休，却道天凉好个秋。”

"Chou Nu Er" Xin Qiji

"When I was young, I could not tell what melancholy was, but I loved to climb towers. As I climbed up this and that tower, I wrote many a poem too, but these poems did not communicate true melancholy, they were simply a word game for me.

As for now, I have grown old and tasted the bitter taste of melancholy, I wish to talk and write about it, but I am silenced, I give up even before I try. How I want to talk and write about it, but give up even before trying! I find myself exclaiming instead, that this chilly weather makes a good fall!"
